Dear Margaret, Fran, Catherine, Lynne and Nancy,

Firstly, let me thank you all for the tremendous job you have all done this year. Not only for your beautiful floral arrangements, but also for being so flexible in happily swapping dates around when sickness and travel have entered our lives. I hope you have all enjoyed this ministry of ours; I know our parishioners certainly have found the beauty of the flowers in the sanctuary has added to their joy in participating in the various liturgies throughout the year.

I am sending this Draft out to you early, and though I have taken into account the messages I have already received in relation to your availability over the Christmas period (Thank you Catherine for offering to refresh the Christmas flowers on the 31 December!); I am sure other things may have already come up and you may need me to alter your allocated dates, so please let me know ASAP so I can finalise this.

I think you should still have the list of contact phone numbers and email addresses, which to my knowledge are still current.

Ciao,
Megan

PS As this is a draft, I will not send it in to the office until closer to the end of the month; and certainly not until you have each let me know that your allocations are OK.

PPS I've just noticed that each of us is on for 4 fortnights each (Catherine your fourth is the 31 Dec 2016 that you are helping me out – and you might like to help Fran with the Lent watering!) And I didn't even try to get it equal!
